

BUILDING A CONSTRUCTIVE CULTURE

This practical workshop will provide participants with the tools to understand the current strengths and weaknesses of their workplace culture. Participants will also explore how to determine and define the desired future culture and then shape a plan to build a constructive culture that aids the goals of the organisation as well as one that engages and motivates employees.

Content

- Identifying the strengths of your current culture.
- Recognising the weaknesses of your current culture.
- Shaping a positive culture.
- Sustaining the future culture.
- Overcoming elasticity.

Outcomes

- Better understand your current culture.
- Shape a culture to be more positive and constructive.
- Align your culture to support your strategic intent.
- Sustain a culture that supports staff and their work.

Who Should Attend

This workshop will be of greatest benefit for those who are managing a work area and who feel that their culture is not aligned to their goals.

Benefits to you and your organisation

Your agency/department will benefit by having a positive culture that supports staff in their work and that works in harmony with the strategic direction of the agency.
