

LEADING AND MANAGING CHANGE

Coping with the ambiguity and uncertainty of change is imperative for new managers who also need to help their team members to work through the changes. This one-day workshop provides a range of strategies, techniques and tools that will be helpful for you to keep in mind and adapt to whatever changing circumstances you face.

Content

- Responding to change.
- Tips for coping with change.
- Personal resilience.
- Managing uncertainty and ambiguity.

Outcomes

- Understand the dynamic nature of change at work.
- Develop change management skills.
- Access strategies and tools for coping with change.
- Develop confidence as change managers.

Who Should Attend

People coming to grips with leading a team and managing others for the first time or team leaders who have been a team member and are now the team leader.

Benefits to You and Your Organisation

- Focusing on what you can do when change is imposed.
- Networking with people in similar roles in the SA public sector.
- Expert input, skills development and access to strategies, tools and tips.
