

RESPONDING TO TURBULENCE

This workshop will look at the factors that are buffeting our departments and agencies and how we can respond effectively, as well as ways we can foster resilience in our colleagues.

Content

- Forecasting and preparing for the future.
- Recognising the weaknesses of your current culture.
- Understanding turbulence.
- Managing responses to change.
- Building understanding and resilience.

Outcomes

- Better understanding the turbulence in our operating environment.
- Foster thinking that is flexible and adaptive.
- Forecast or at least respond positively to changes.
- Support others in their efforts to cope with change.

Who Should Attend

People who are leading and managing others through times of workplace change and turbulence.

Benefits to You and Your Organisation

Those attending the workshop will have the tools and techniques to equip themselves and their co-workers with the skills and mindset to respond to most changes and challenges in the future. Your agency/department will benefit by ensuring key staff understand how to manage lead and respond to change.
