

TEAM POWER

This workshop will explore the practical and straightforward techniques that managers can apply in order to knit a group of people into an engaged and united team using tried and proven methods from Katzenbach and Smith, Tuckman, Collins and West.

Content

- Managing the People Issues.
- Understanding the Strategic Imperative.
- Team Multilingualism.
- Building the Spirit.
- Dealing with the Bad Apple.

Outcomes

- Design a team model that suits your work.
- Manage the people issues within a team.
- Develop a team development plan.
- Recognise and consider ways to manage the difficult staff member.

Who Should Attend

This course is ideal for you if you manage teams of people and want to maximise their effectiveness.

Benefits to You and Your Organisation

Participants will sharpen their team building skills at a structural, interpersonal and cultural level. If you apply the techniques covered your agency will have a 'genuine team' working effectively to achieve its goals with staff who are motivated to contribute.
