

10 things that I should do to
advance my career...

1. Tell your boss you are interested in opportunities (and everyone else that will listen)

2. Say yes to every opportunity
(but be wary of the pink ghetto)

3. Find a sponsor

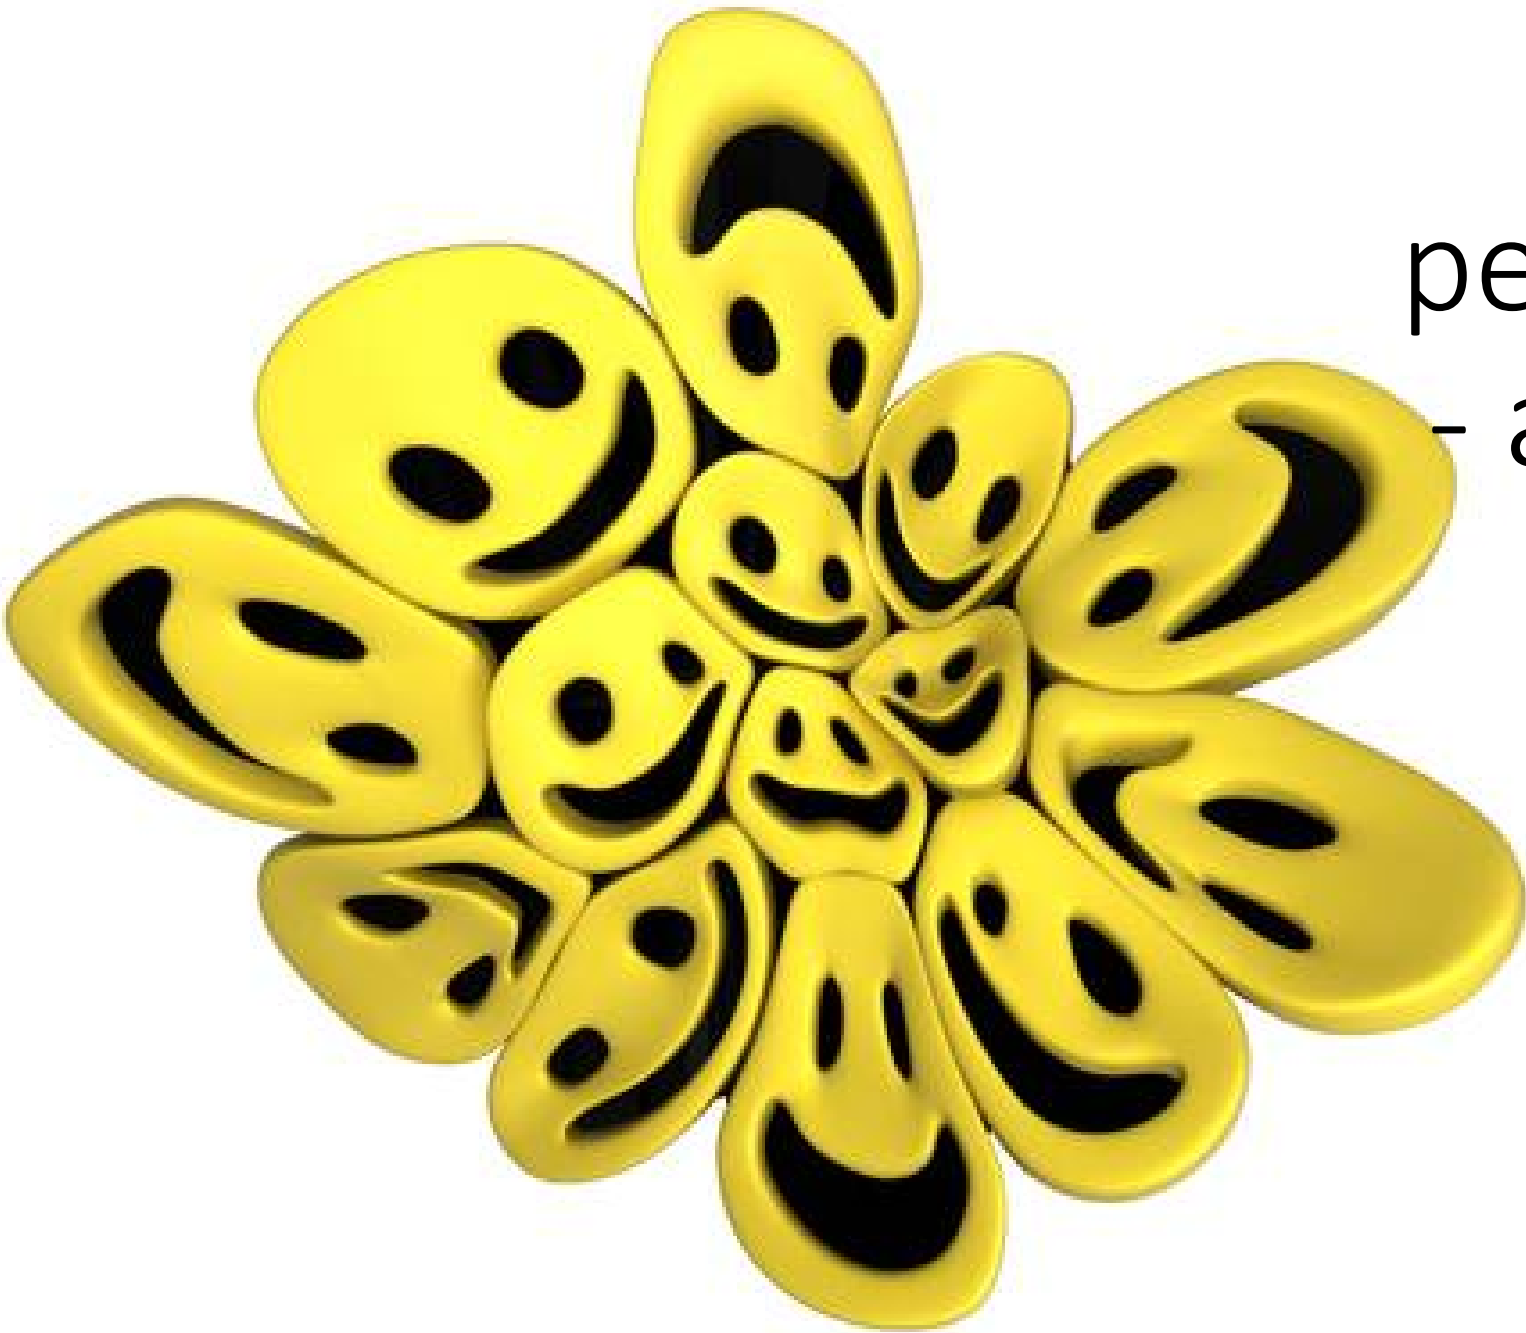

4. Find a course to do

5. Join a committee - internal or external, profit / not for profit

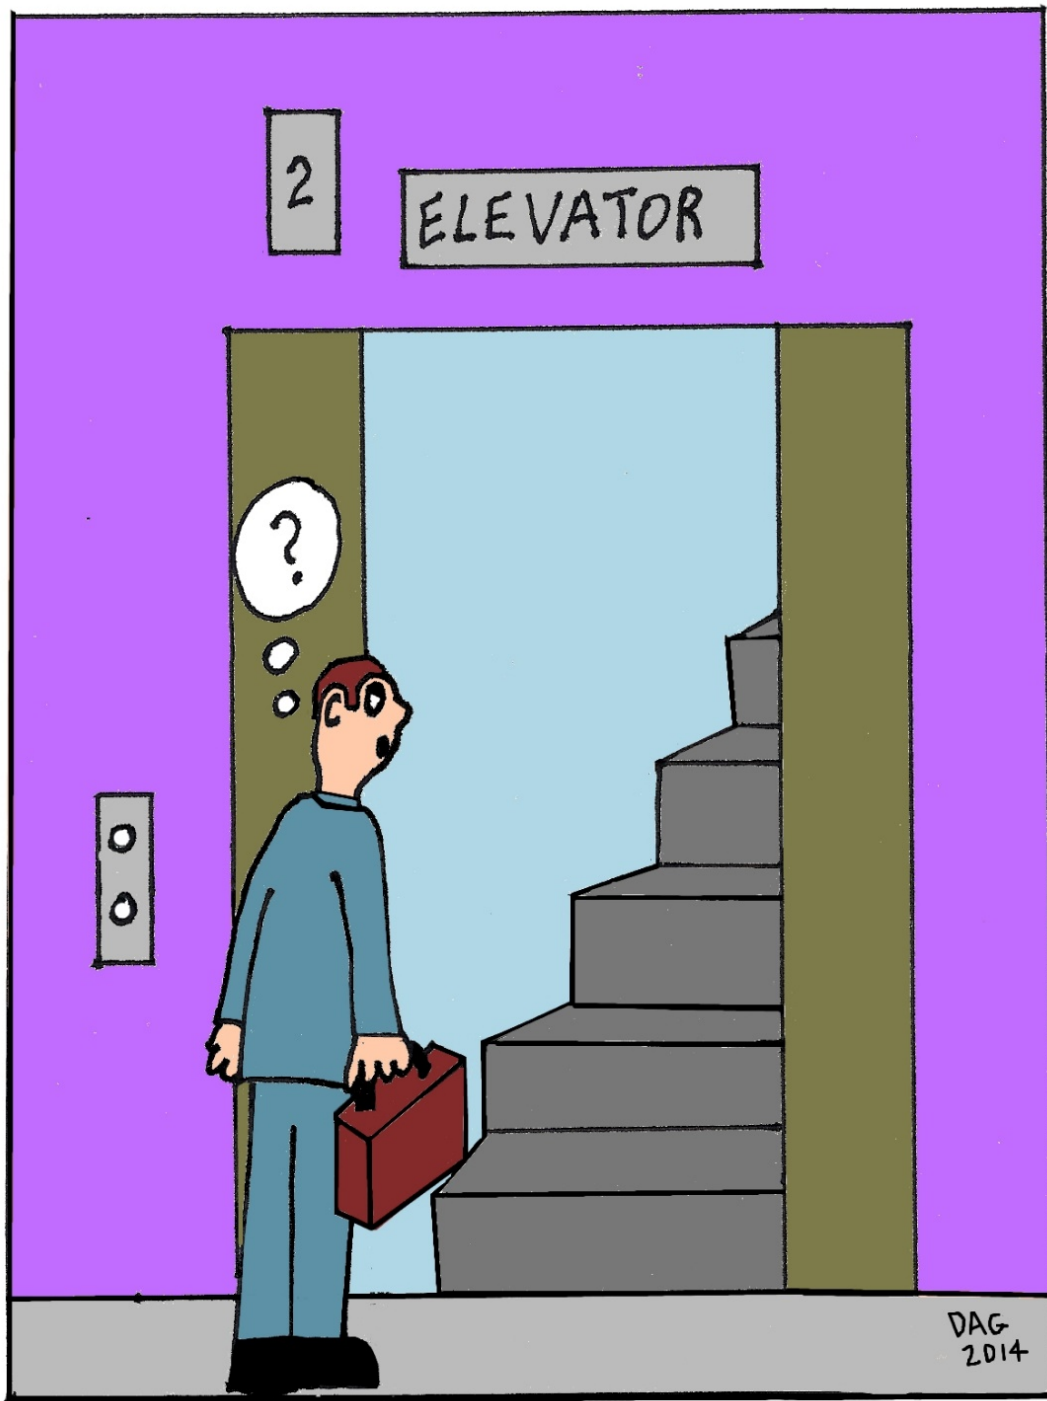

6. Look at the people around you – are they positive influences?

7. Write down
your 5 best skills

8. What's my elevator pitch

9. Get
some EQ -
do a test

10. Know
yourself -
what's my
brand
